

Dancing in the Street

June 2023
Mount Vernon High School

From Ms. Susan

Dear parents and students,

What a GREAT year it has been! Thank you parents for your dedication to your children and in turn your dedication to their Dance and Gymnastics education. My staff and I are grateful for the honor of teaching your children and being a part of their lives. Our families are the heartbeat of the Fancy Feet community. WE are truly a FAMILY. The Arts teach us dedication, hard work, and to never give up if you want results. Your children embrace those beliefs and prove to us every day they are brave enough to try something new. This year we have had so many generational dancers – children of my dancers from decades ago have continued the Fancy Feet tradition! I love seeing this! I am appreciative of your loyalty and commitment and look forward to many years to follow. Finally, I want my dancers to know how proud I am of them and all of their accomplishments. Have a wonderful show!

Love Ms Susan

To my staff

*“None of us, including me, ever do great things.
But we can all do small things, with great love, and
together we can do something wonderful.”*

– Mother Teresa

Thank you for your dedication and love you show to our Fancy Feet families everyday. Whether you are in the office or in the classroom, please know you are so important in making a child’s experience wonderful at Fancy Feet!

Love Ms Susan

To my Dance Company

You should feel so proud of the dancer you are becoming. When you make consistent effort toward your goals, success is inevitable. Becoming the dancer you want to be is hard work wrapped in beauty, grace and definitely fierceness! I always have and always will be so proud of not only your dance accomplishments but the humans you are! Always focus on your goals!

Love Ms Susan
